Detailed Specifications & Technical Data

ENGLISH MEASUREMENT VERSION

9413-0601 PDU's/Mission Critical PDU's - Power Distribution Unit (PDU)

For more Information please call

1-800-793-2954

General Description:

Belden offers a broad selection of Power Distribution Units to accommodate the power requirements for your equipment. This family of durable and versatile power strips will streamline the power cord organization and minimize cord density in your enclosures. A sampling is offered here in a variety of configurations to accommodate a broad range of requirements. However, Belden can supply many other Power Distribution Units to suit specific customer needs. All power strips have a UL and/or c-UL rating refer to the table here for the rating of each specific unit. All units include a 10-foot power cord.
