CAT5E AND CAT6 EZ-RJ45 MODULAR PLUGS AND BOOTS

Make faster terminations and reduce waste

- Simple one-piece design eliminates loading bar and liners
- Insert wires right through the connector
- Trim the wires and crimp the connector in one step; boots maintain proper bend radius
- Use with solid or stranded cable
- Once crimped, the strain-relief boot becomes an integral part of the connector and will not pull off

CATALOG #	DESCRIPTION
CAT5E EZ-RJ45 MODULAR PLUGS	
C5EEZUP-25PAK	Unshielded, 25-Pack
C5EEZUP-50PAK	Unshielded, 50-Pack
