exacqVision ELX-Series

exacqVision ELX-ip
Compact, Powerful IP Camera Server
Complete Solution: Operate Server Software, Client and Web Service

Key Features & Benefits:

- **All-in-One Solution** — Video recording, web/mobile client hosting and local live video display from the same server.

- **Networking Video Recording Servers** — Record IP cameras, encoders and analog cameras. Live and recorded video viewable through free exacqVision client application.

- **Up to 24 IP Cameras Per Server** — Up to 24 IP cameras per server (16 with exacqVision Start or 24 with exacqVision Professional). Compatible with over 1,000 IP camera models. Continuously record up to 140 Mbps of video.

- **High Reliability** — Up to 8TB storage per server using continuous duty enterprise-class drives for maximum lifespan. Linux operating system pre-installed on a solid-state drive (SSD). Monitor hardware status with the free exacqVision client.

- **Cross-Compatible Local and Remote User Interfaces** — Access live and recorded video on multiple client PCs with free Windows, Mac or Linux client application. exacqVision web server application pre-installed on server to access video through a web browser or free Mobile iPhone/iPad and Android apps.

- **Cost-Effective, Compact** — Compact form factor solution is cost-effective and designed for high energy efficiency.

- **Unlimited Scalability**— Pre-loaded with exacqVision Professional or exacqVision Start video management system (VMS) software. Easily add additional IP camera licenses and change out cameras. Add unlimited additional servers for greater capacity or dispersed geographic location. Manage individual systems from the same user interface or upgrade to exacqVision enterprise to easily manage multiple servers simultaneously.

- **3-Year Hardware Warranty and Software Subscription Agreement (SSA)** —3-year hardware warranty and SSA included. Update client, server and web server software with the latest exacqVision software features at no additional cost during the 3-year SSA period.
