

Adapters

Part Number: OR-802002002

Description: 50-Pin Gender Changer Female to Female

A 50-pin (25-pair) female to female gender changer. This adapter is wired straight through for matched-pinning of 1 to 1 and is typically used for connecting two male 50-pin (25-pair) cable ends. Screw locking hardware secures the 50-pin (25-pair) connectors to the gender changer body

■ Specifications
