4000[®] Series Steel Raceway

Two-Piece Steel Surface Raceway Available Factory Prewired

Wiremold[®] 4000[®] Series Raceway is the work horse of surface raceway systems. 4000 Series Raceway can be divided for multi-service applications. 4000 Series Raceway is ideal for applications requiring a large cable capacity dual service steel raceway. Commercial, institutional, and industrial applications all benefit from the rigid steel construction and durable Ivory ScuffCoat[™] finish of this raceway. 4000 Series Raceway is also ideal for municipalities that require either all steel construction or prohibit nonmetallic cable management systems.
