

Mighty Mo Air Booth, 80"H x 48"W x 24"D, Black

OR-MMABTH804824-B

features & benefits

Mighty Mo Air Control products significantly reduce cooling requirements by creating a physical separation between the cold and hot air. They provide a contained supply of cold air to equipment, dramatically reducing active equipment energy consumption.

By providing exclusive access to cold air, the Air Booth spot cools high density and high powered equipment and is an effective containment system for isolated racks and cabinets.
