

Mighty Mo Air Plug, 5" x 6" x 24"

OR-MMAPL0624

Mighty Mo Air Control products significantly reduce cooling requirements by creating a physical separation between the cold and hot air. They provide a contained supply of cold air to equipment, dramatically reducing active equipment energy consumption.

features & benefits

- **Air Plugs** are used to fill in cable openings in the raised floor or any gaps where airflow needs to be blocked: Maintains cooling efficiency.
- **Soft and compressible:** They are safe to use around all types of cable, including fiber optic cable and are easily installed.
- **Made from Sandel™:** Fireproof, contains no asbestos and is non-combustible at any temperature.
- **Available in several sizes:** Covers most any size opening.
