DESCRIPTION

The ORION NEMA 4 Rated, indoor and outdoor enclosure is designed to protect and maintain display efficiency. Combining rugged exterior protection with a regulated interior environment. ORION LCD enclosures are suitable for both indoor and outdoor locations, and are equipped with the latest innovations that support the lasting longevity of your screen. Our enclosure's exclusive and patent-pending **Air Veil Technology** and **Anti-Reflective** Screen are now standard on all LCD enclosures.

The ORION indoor and outdoor enclosure also protected for explosive environments and for temperatures as low as -22° F. We are continuously strive to change, innovate and deliver on the high expectations of our passionate customers.
