

ETP-SMB – Surface Mount Accessory with Door

Description

Talk-A-Phone's ETP-SMB Surface Mount Accessory with a door is designed to surface mount any Talk-A-Phone flush mount emergency phone indoors or outdoors and to identify the location of an emergency phone with lettering on both sides. Additionally, the unit offers extra room to accommodate a handset emergency phone from Talk-A-Phone. The unit is constructed of durable stainless steel with a latching door.

Talk-A-Phone's ETP-SMB Surface Mount Accessory with a door is often used at university and college campuses, parking facilities, shopping malls, medical centers, industrial campuses and transit facilities.

Features

- Durable housing is suitable for mounting Talk-A-Phone handset-style emergency phones outdoors on a wall or a pole
- Includes an easy to use push-button release on a latching door
- "EMERGENCY" lettering on both sides
- Vandal-resistant stainless steel construction
- A variety of signage, graphics and color choices are available
