

RX Series

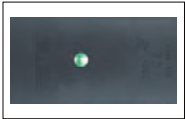

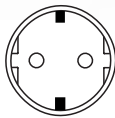

E Regletas de conexión en formatos 19", 1U o montaje vertical "Zero U".
 Construcción modular, perfil de aluminio con acabado aislante y toma de tierra.
 Conectores en PA reforzado UL94V0 y escuadras de fijación reversibles en PC UL94V0.
 Conexión interior sobre placa continua de latón (Bus-bar)
 Cable de alimentación con distintas opciones de conectores. Conexión mediante Wieland GST-3A.
Homologaciones: CE/VDE
Acabado: Perfil de aluminio lacado color natural. Bases y escuadras fijación negro similar a RAL9004.

EN Power distribution units in 19", 1U format or vertical assembly "Zero U's"
 Modular construction, manufactured in insulated aluminium profile.
 Connections bases in reinforced PA UL94V0 and reversible brackets in PC UL94V0
 Internal connections on brass Bus-bar.
 Power cable with different connector options. Connections through Wieland GST-3A connectors.
Homologations: CE/VDE
Finish: Aluminium profile in natural colour. Connectors and brackets in black similar to RAL9004

F Réglettes de connexion 1U, 19" ou en montage vertical "Zero U".
 Construction modulaire en profilé d'aluminium isolant.
 Connecteurs en PA UL94V0 renforcé et équerres de fixation en PC UL94V0
 Connexions intérieures sur plaque continue en laiton (Bus-bar).
 Câble d'alimentation avec différentes options de connecteurs. Connexion a travers de Wieland GST-3A.
Homologations : CE / VDE
Finition : Profilé d'aluminium naturel, connecteurs et équerres de fixation coloris noir similaire à RAL 9004.
