About Yealink

Yealink is professional designer and manufacturer of IP video phones and IP phones for the world-wide broadband telephony market since 2001. Yealink has 10 years VoIP experience and has been 100% focusing on VoIP products. Yealink products are fully compatible with the SIP industry standard, and have broad interoperability with the major IP-PBX, softswitch and IMS on the market today. High-quality, easy to use and affordable are what Yealink strives all the time to meet.
