

1 Selecting Location

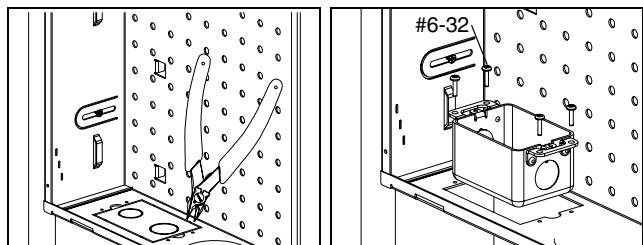

2 Mounting

3 Electric Box Installation

(Not sold by PANDUIT)

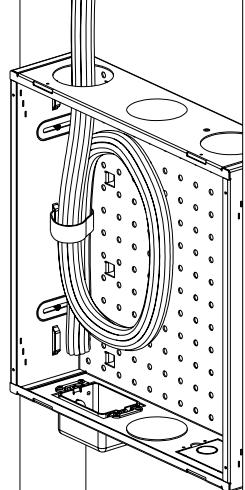

Caution: A qualified electrician should install all electrical connections in compliance with the NEC.

Smaller breakouts are for use with 1/2" and 3/4" conduit.

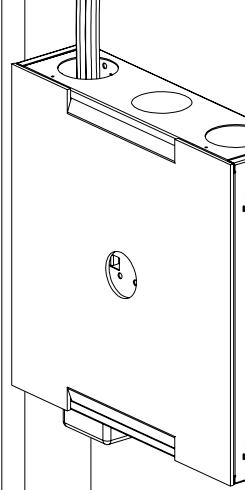

4 Cable Rough In

Provide sufficient slack for termination and cable management.

5 Mud Guard

When rough in is complete, use the provided mud guard to keep the enclosure free from dust and debris during final construction and painting.
