

Features

- **UL 1598 Listed for Outdoor Installations**
- **Bright Safety Yellow Attracts Attention**
- **Durable powder-coated epoxy finish withstands the harshest environments**
- **Custom colors and graphics are available**
- **Fits all GAI-Tronics Flush-Mount Telephones**

The Model 234WM-202 Wall-Mount Stanchion is designed to house GAI-Tronics' RED ALERT® Flush-Mount telephones. The stanchion body is bright safety yellow with black EMERGENCY graphics on each side for increased visibility. The highly visible 530-001 blue L.E.D. strobe, with "constant on" light, is housed in the upper portion of the stanchion to provide easy identification of the stanchion locations. In addition, an L.E.D. panel light illuminates the phone surface for nighttime use. GAI-Tronics 234WM-202 wall-mount stanchion attracts attention by its mere presence.

The 234WM wall-mount stanchion is ideal for:

- **College campuses**
- **Parking garages**
- **Shopping malls**
- **Amusement parks**
- **Hotels**
