PT-7100 Utility Labeler

EASY TO CARRY • EASY TO USE • EASY TO AFFORD

Make durable, self-laminated labels virtually anywhere, anytime!

PERFECT FOR:

- VDV AND AV INSTALLATIONS
- SECURITY SYSTEMS
- ELECTRICAL
- AND MUCH MORE!

brother at your side

Print crisp, easy-to-read laminated labels that stick and stay — for virtually all your applications!

You can make all of these professional labels and more…

Perfect for:

- Wire and cable flagging
- Marking connections
- Patch panels & faceplates
- Warning & construction labels
- Service & call-back labels
- Time & date labeling

And much, much more!

PT-7100 Key Features:

- Prints durable laminated labels for indoor and outdoor applications
- Comfortable rubber grip for secure holding
- Large 12-character display for easy viewing
- Easy-access label cutter
- Print up to two lines of text and graphics
- Up to 24-point size for easy-to-read printing
- Print text horizontally or vertically
- Choose from four tape widths:* 3.5mm (.13”), 6mm (.23”), 9mm (.35”), 12mm (.47”)
- Built-in library of 107 commercial and industrial symbols
- Smart tape sensing feature automatically selects the right font size – just type and print a label!
- Print multiple copies & auto increment
- Automatically add time & date to any label
- Compact and lightweight – approximately 1 lb. (with tape and batteries inside)
- Powered by 6 “AAA” size alkaline batteries (not included) or optional AC adapter model AD-24 (not included)

Four simple steps to the label you need:

1. Type

2. Print

3. Cut

4. Peel & Apply

Change tape sizes, colors and adhesive types in seconds — with interchangeable TZe tape cassettes*

**Additional purchase required*

Compact and lightweight design – easy to carry or store in a toolbox.

Print durable, self-adhesive, laminated labels for almost any application – indoors and outdoors.

Full-featured labeling tool is a terrific value for your money. Equip your whole crew!

TZe Tape* for Virtually Any Application

Standard Adhesive Laminated Tapes[1]

Polyester laminated label with a standard adhesive designed for smooth and flat surface labeling applications. Ideal for face plates, electrical panels and shelves.
