

Supra®

The Supra headset's lightweight, adjustable design delivers excellent sound and comfort. Supra sets the standard for all-day comfort and sound quality for anyone who spends a significant portion of their day on the phone, in the contact center or in the office. Supra delivers excellent sound quality with either our trademark Voice Tube or a noise-canceling microphone, in either monaural or binaural models.

Supra Key Features

- **Lightweight over-the-head style** with adjustable headband and soft ear cushions for stable fit and all-day comfort.
- **Click-stop headband** for superior fit and comfort.
- **Superior Sound.** SoundGuard® technology provides natural voice tone and removes loud tones, as well as occasional noises and crackles on the line.
- **Quick Disconnect™** lets you walk away from your phone while still wearing your headset.
- **10-foot coil cord** and adjustable clothing clip for freedom of movement.
- **Can be worn on either ear.**
- **Available in monaural** (sound in one ear) and **binaural** (sound in both ears) models.
- **Available with Voice Tube or noise-canceling microphone:**

Voice Tube—Plantronics' trademark design; light weight and unobtrusive, delivers great sound quality in all but the noisiest environments.

Noise-canceling—Filters out background sounds for heightened speech clarity.

- **Warranty: Two years** for unsurpassed durability.

H61N Binaural with Noise-canceling

Over-the-Head style for all day comfort

Ergonomic T-Pad designed to not catch hair

H51N Monaural with Noise-canceling

Flexible Boom for optimal microphone placement

Noise-canceling microphone blocks out background noise. (Also available with Voice Tube)

Supra headsets require a Plantronics audio processor, USB audio processor, or direct connect cable to connect to phone or PC.

Vista® M22 Audio Processor

The Vista M22 audio processor delivers precise levels of listening comfort, sophisticated hearing protection, and superior audio performance. The Vista M22 includes Clearline™ audio to improve call quality in any environment, especially wideband VoIP.

DA45™ USB Audio Processor

Compatible with all Plantronics H-series headsets, this headset-to-USB adapter/ audio processor brings superior call clarity to PC-based communications. The DA45 USB provides advanced audio technologies, plug-and-play connectivity, and Quick Disconnect.
