

MX500

Mobile and Cordless Phone Headsets

Sleek Style Delivers the Features You Want and the Voice Quality You Demand

Enjoy crisp, clear calls with the award-winning MX500 Mobile Headset from Plantronics. This innovative headset delivers premium features such as pivoting WindSmart™ voice tubes, next-generation Flex Grip® design and inline one-touch controls.

- **Clear Conversations in Windy Environments**

Experience crisp, clear sound when you eliminate wind noise and interference, thanks to our patent pending WindSmart™ wind noise reduction technology.

- **Perfect Positioning**

With a rotating WindSmart voice tube, you can position the MX500 for optimal sound and comfort, ensuring your conversations are perfectly clear. The MX500 comes with two interchangeable lengths of WindSmart voice tube that let you customize your wearing style.

- **Unsurpassed Comfort and Fit**

Plantronics next-generation Flex Grip® design delivers exceptional comfort, even during extended wear—you'll hardly know it's there. As for fit, the Flex Grip design ensures the MX500 will stay in place no matter how much you move.

- **Intuitive Controls**

The MX500 offers in-line volume, mute, call answer/end and voice-activated dialing* for convenient access to your phone's features.

*Voice-activated dialing must be supported by your phone or service.

MX500

Mobile Headset

The Plantronics MX500 Mobile Headset lets you:

- Hear and be heard, even in windy environments
- Talk all you want in complete comfort
- Drive with both hands on the wheel
