Midsize Single-Gang QuickPort® Wallplates

APPLICATION

Leviton's Midsize Single-Gang QuickPort® Wallplates offer field-configurable flexibility, accept all QuickPort Snap-in Connectors and Adapters and support a variety of commercial and residential applications. Midsize plates are 3/8" higher and wider than standard plates to help disguise irregular or oversize wall openings, resulting in a neat, professional finish. The Midsize QuickPort Wallplates are available in a variety of colors and port configurations.

FEATURES

- 3/8" larger than standard size wallplates to conceal irregular wall openings.
- Mounts to single-gang backboxes or four-square boxes with appropriate user-provided reducer.
- Includes mounting hardware with color matched wallplate screws.

STANDARDS COMPLIANCE

Meets or exceeds all applicable standards: cULus listed.

PHYSICAL SPECIFICATIONS
