

HellermannTyton

596-00338

Special Order Paper Label 4" X 6". 4 rolls per case. 1000 per roll. 2 case minimum purchase.

Article Number: 596-00338

Part Number: 596-00338

Type: LD46TT3

Base Data

Part No. 596-00338

Type LD46TT3

Color White (WH)

Features HellermannTyton provides a wide variety of thermal transfer label stocks to fit most industrial applications. Materials can be used in applications ranging from high heat, wire wrapping and long term indelible marking. A mix of sizes and types allows for stock solutions to most labeling needs. For instance, HellermannTyton provides thermal transfer labels in a high performance white polyester. HellermannTyton 822 material provides a high quality mark when used with the TT822 ribbon and the TTM430/TTM460 or TT230SM/TT230SMC printer, or compatible. If the 822 material is used in combination with the TT822 ribbon, the TTM430 or TT230SM printer or specific recommended printers, a UL Recognized mark can be achieved.*

Application Method Labels are printed using a HellermannTyton thermal transfer printer and then applied by hand.

Product Dimensions

Width (W) 4" / 101.6mm

Height (H) 4" / 101.6mm

Height (H2) 6" / 152.4mm

Print Method Thermal Transfer
