

Heat-Cure Connector, FC APC

Bulk pack, Single-mode (OS2)

CORNING

Corning Cable Systems offers a complete line of heat-cure, epoxy-and-polish connectors for the flexibility to meet any factory termination need. FC connectors are available for both Single-mode and multimode applications, and are available with pre-angled Single-mode ferrules for the ultimate in performance. Each connector meets FOCIS and TIA/EIA-568-B.3 standards and ships pre-assembled from the factory to reduce installation time. Zirconia ferrules with preradiused end faces allow for physical contact polishing supporting super or ultra PC performance (SPC or UPC).

Features and Benefits

Ships preassembled from the factory

Reduces installation time

Zirconia ferrules with preradiused end-faces

Allow for physical contact polishing for super or ultra PC performance

Pre-angled ferrule

Allows for ultimate in performance

Specifications

General Specifications	
Product Type	Heat Cure Epoxy and Polish Connectors
Fiber Category	Single-mode (OS2)
Packaging	Bulk Pack
Keyed	No

Chemical Characteristics	
RoHS	Free of hazardous substances according to RoHS 2002/95/EG

CORNING

Heat-Cure Connector, FC APC

Bulk pack, Single-mode (OS2)
