FutureCom™ Module Housing, 25 x 38 mm, inclined, for 1 x FutureCom module

White

The LAN*scape*® Future*Com*™ module adapter inclined is suitable for the installation of LAN*scape* Future*Com* modules. The module adapter 25 x 38 mm with self-closing shutter is intended for the direct assembly into cable raceways. Holders for cable tray are not intended, because the module housing can be in-clicked directly into the cable raceway. Designation windows with designation stripes are included.

Part Number: CAXCOE-S0101-C002

Features

- Self-closing shutter
- Designation window
