FutureCom™ Cable Management Panel 19", 1U

High-grade steel

CORNING

The LANscape® System offers cable management solutions for all installation options and mounting methods. In order to ensure an arranged and clear execution of the patch cords between the patch panels in the LAN cabinets, Corning offers the LANscape 19"-cable management panel as a clean conclusion in LAN cabinets.

By the employment of 19" cable management panels they let not used installation levels in 19" cabinets lock cleanly in simplest way. With 5 black cable management brackets the panel provides an arranged and clear patch cord routing into the cabinet interior.

Part Number: WAXWSW-00000-C007

Specifications

General Specifications	
Environment	Indoor
Mounting Type	Rack 19"

Design - Hardware	
Housing material	High-grade steel
Height Unit	1U
Colour	Silver

Mechanical characteristics	
Weight	0.4 kg
Dimensions (L x W x H)	483 mm x 44 mm x 70 mm

FutureCom™ Cable Management Panel 19", 1U

High-grade steel

CORNING

Chemical characteristics

RoHS	Free of hazardous substances according to RoHS 2002/95/EG
Environmental compatibility	Recyclable
