

QuickPort® Patch Panels with Magnifying Lens Label Holder

APPLICATION

QuickPort Patch Panels are compatible with all QuickPort modules to maximize versatility with a variety of media applications and enable easy upgrades. This panel also allows for insertion of alternative QuickPort connectors to customize the application.

SPECIFICATION

The panels shall be made of 16-gauge steel, and shall have a black painted finish with label holders above the ports and numbers below the ports. The label holder shall magnify the label printing. The panel shall be offered in 24- and 48-port configurations. The panel shall have the ability to allow for single port replacement of inoperative ports.

FEATURES

- Accepts all QuickPort-style connectors
- Magnifying lens ensures visibility of port labels
- Port numbers included below port opening
- Rear cable management bar

DESIGN CONSIDERATIONS

- Includes magnifying lens label holder
- Mounts on 19" equipment racks
- Panels offered in 24- and 48-port configurations
- Rear cable management bar included

STANDARDS COMPLIANCE

ANSI/TIA-568-C.1
cULus Listed
