10" Insulated Pump Pliers

Cat. No. D502-10-INS

Product Features

Individually tested to exceed the IEC 60900 and ASTM F1505 standards, for insulated tools, and clearly marked with the official 1000-volt rating symbol.

Two layers of insulation provide protection against electric shock. Thick, exceptionally tough, high-dielectric white inner coating is bonded to the tool.

A flame retardant, impact-resistant, bright orange outer coating.

Secure tongue and groove design for non-slip grip - even with heavy pressure.

Integral guards help prevent hand contact with conductive parts.
