

ETP-PMD – Dual Faceplate Pedestal Mount

Description

Free standing Pedestal Mount allows an Emergency/Information or Access phone to be mounted practically anywhere. An additional faceplate allows a card reader, camera, directory or other device to be mounted above the phone.

Features

- Constructed of vandal resistant 1/4" steel with slanted top
- Radius Pedestal, with 2" radius corners, offers contemporary architectural styling
- Easily mount any 400-series Talk-A-Phone Emergency/Information phone
- Faceplates are lit at all times by ultra bright LEDs
- Secondary plate available in stainless or aluminum for mounting directories, cameras, card readers, etc.
- Available in a variety of colors with optional wording on the sides
