

Description

Talkaphone's ETP-MTE-ARM is an overhead camera mount that gives users the ability to add a surveillance option to the award-winning ECO TOWER® emergency phone tower. Featuring the same lightweight aluminum construction for a reduced ecological footprint, the new video surveillance arm can be deployed on any basic ECO TOWER emergency phone tower.

Features

- Lightweight aluminum construction for reduced ecological footprint and one-person installation
- Durable, multilayer powder coating achieves near-zero waste and VOC (volatile organic compound) emissions
- Vandal-resistant and designed to resist extreme weather conditions
- Fits a wide variety of fixed and pan-tilt-zoom (PTZ) video surveillance cameras (sold separately) with 1.5" NPT

Specifications

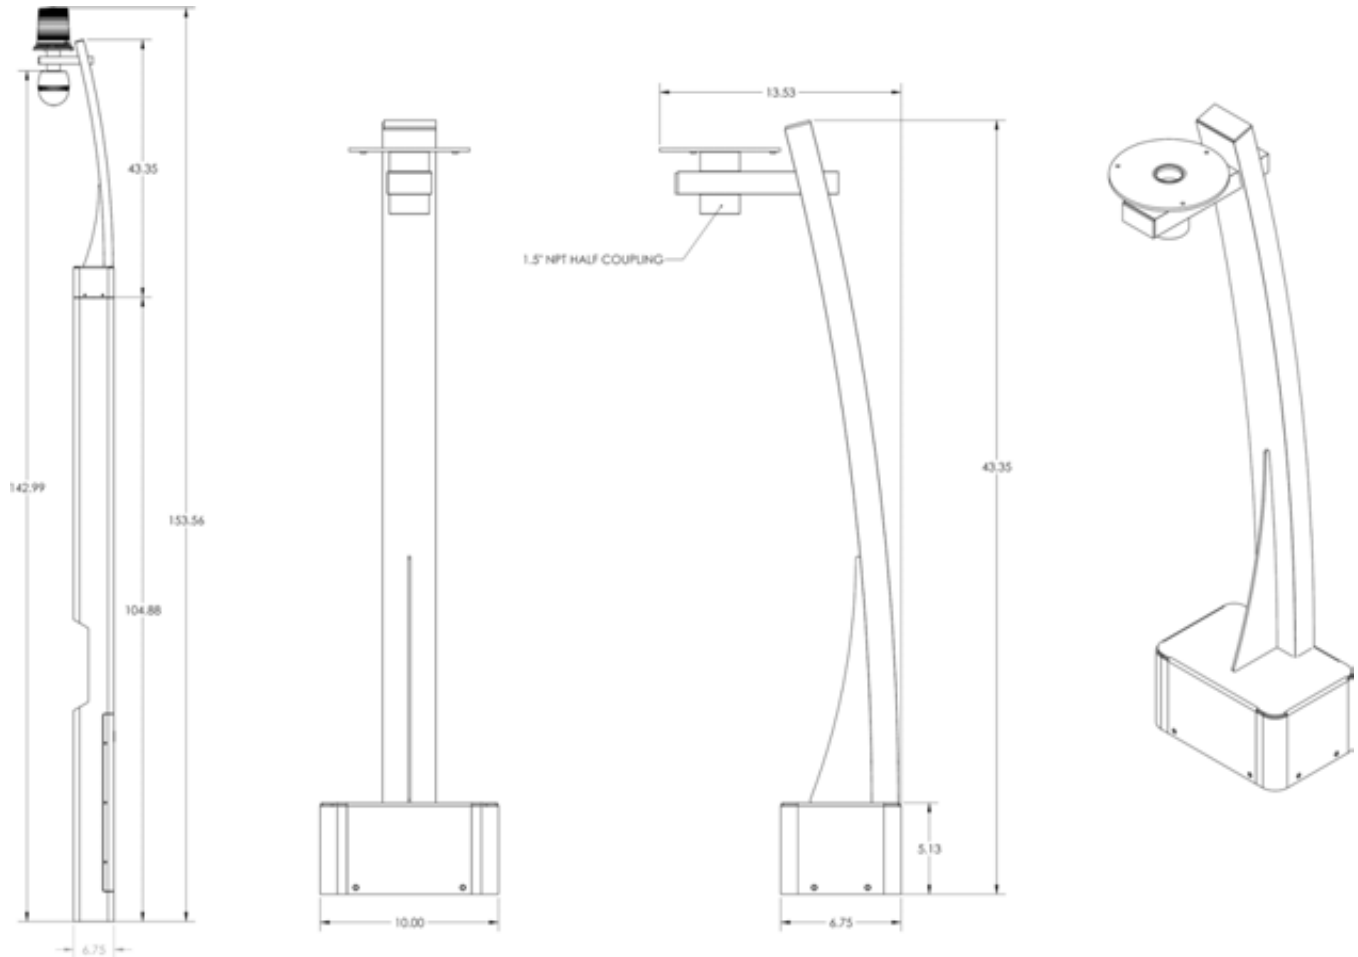

Dimensions (W x D x H):	10.0 x 13.5 x 43.4 in. (254 x 344 x 1101 mm) not including LED Blue Light
