

Compact Structured Media™ Enclosure

Compact Structured Media™ Enclosure 47605-MDU

APPLICATION:

Leviton's new Multi-Dwelling Unit (MDU) Compact Structured Media™ Enclosure is designed to deliver a compact distribution point for basic telephone and video of multi-unit buildings. The MDU Enclosure's unique modular design is made exclusively from ABS molded plastic. This gives customers cost savings in installation time, while providing the flexibility to accommodate a variety of telephone/video distribution configurations. It can accommodate up to three Telephone Expansion Boards and one Passive Video Splitter. Leviton's MDU Enclosure is ideal for apartments and affordable, military, senior and campus housing as well as urban mixed-use applications.

FEATURES

Compact Structured Media Enclosure

- Compact distribution point for basic telephone and video
- Snap-on cover requires no tools or fasteners
- Features molded-in brackets that provide quick snap-in convenience for Telephone Expansion Boards
- Angled splitter shelf for easy installation
- Capacity for up to three Telephone Expansion Boards and one Passive Video Splitter
- Enclosure can be surface- or flush-mounted
- Multiple knock-outs on top, bottom and sides support 1" conduit and facilitate cable routing and entry
- Enclosure may be locked for added security
- ABS molded plastic construction provides structural integrity equal to, or better than, comparable metal enclosures at less cost and it comes with a UL94 VO flame-retardant fire rating
- Available as an empty MDU enclosure with cover, or in two kitted versions, with either a 1 x 6 Telephone Expansion Board, or with a 1 x 6 Telephone Expansion Board and a 6-Way Splitter
- Two-Year Product Warranty

MDU Expansion Boards and Splitters

- **1 x 10 6-Line Bridged Telephone Security Expansion Board** provides 6 lines to up to 10 locations, and comes with IDC connectors for Cat 5 or 5e wire and with a RJ45 jack and a punch down security interface to accommodate alarm systems
- **1 x 6 Bridged Telephone Expansion Board** provides 4 lines to up to 6 locations and comes with IDC connectors for Cat 5 or 5e wire and a RJ45 expansion port
- **1 x 4 6-Line Bridged Telephone Expansion Board** provides 6 lines to up to 4 locations and comes with IDC connectors for Cat 5 or 5e wire
- **4-, 6- or 8-Way 1GHZ Passive Video Splitters** deliver a CATV or antenna signal to 4, 6 or 8 television outlets
