### Trademarks

Trademark names are used throughout this document. In most cases, these designations are claimed as trademarks or registered trademarks in one or more countries by their respective owners. Rather than placing a trademark symbol in every occurrence of a trademark name, Bosch Security Systems, Inc. uses the names only in an editorial fashion and to the benefit of the trademark owner with no intention of infringing the trademark.

SpectrAlert is a trademark of System Sensor® in the United States and other countries.

System Sensor is a registered trademark or a trademark of System Sensor, a brand of Honeywell International Inc., in the United States and other countries.
