

# 40539-PMB

Color:

Brown

UPC Code: 07847714044

Country of Origin: United States - *\*Eligible for ARRA funded projects*

*\*May include one or more globally sourced components.*

## Wallplates and Housings

### Brand Features

Leviton's Midsize Single-Gang Wallplates are ideal where flush mount telephone or video connection plates are needed. Midsize plates are 3/8" higher and wider than standard plates to help disguise irregular or oversized wall openings, resulting in a neat, professional finish. Durable video connection wallplates are available with an F-Connector or unloaded with a hex-shape outlet for later coax cable installation. Telephone wallplates with 6P4C voice grade connector and combination video and telephone wallplates are also available.

### Item Description

Midsize Telephone Wall Jack, 6P4C, Brown
