

# 40A00-1

## Brand Features

The 15A Relay UPB Switch is used for controlling heavier loads (up to 15 Amps) or motors, such as ceiling fans, that may hum when used with Dimming or Non-Dimming switches. It comes with a default white paddle, connectors, and instructions. 15A relay switches require a neutral (white) connection wire.

## Item Description

15A Relay UPB™ Switch.

## Features and Benefits

- Used for controlling loads up to 15A
- Switches feature true rocker action. Press and hold to brighten or dim. Press up to turn on. Press down to turn off
- LED indicator lights at the top of the switches can be programmed to glow Blue, Red, Magenta, or turned off entirely
- Can be used in new or existing homes that have standard electrical wiring. Uses standard Decora wallplate (not included)
