

# 42046-IDA

## Wallplates and Housings

### Brand Features

The 104 Duplex Surface Mount Jack accommodates two voice and/or data ports. It is available in 4-, 6-, or 8-conductor configurations for voice and data, with 8-conductor keyed version typically used for data. The 104 jack installs quickly using 110-type insulation displacement connectors for 22-26 AWG inside wiring. Mount the 104 jack easily on most walls, floors, and office furniture using screws or double sided tape (both included), or optional magnets. User instructions and basic wiring layouts for standard configurations are included.

### Item Description

Surface Mount Jack Kit, 6P6C x 6P6C, 110-style, Ivory. Kit includes one 1-port surface mount box and two 6P6C USOC jacks.

### Technical Information
