

47605-PSB

Power and Surge Protection

Brand Features

These compact units are designed specifically to fit into Leviton's Series 140, 280 and 420 Structured Media Enclosures. They are compatible with any incoming AC voltage in the range of 90 to 264 VAC, 50 or 60 Hz. They have three, six, or nine 12VDC connectors providing from 10 to 40 watts of power. All modules provide short circuit overload and surge protection as well as EMI/RFI filtering to connected equipment.

Item Description

Universal Mini DC Power Supply

Technical Information

Electrical Ratings

Inrush Current: <20 Amp 115VAC <40 Amp 230VAC

Type: DC Power Supply

Output Voltage: 12 Volt

Input Voltage: 90-264 Volt AC

Output Power: 10 Watts

Product Features

Type: DC Power Supply

Output Voltage: 12 Volt

Input Voltage: 90-264 Volt AC

Output Power: 10 Watts

Feature: Surge

Quantity of Connections: 3

Series Compatibility: 140, 280, 420 Series Compatible

Included Cables and Connectors: 3 48 Inch Connector cables

Standards and Certifications: UL/cULus/NOM/C-Tick/CE/ACA/China

Warranty: 2 Year Limited

Environmental Specifications

Operating Temperature: -10C to 60C

Material Specifications

Enclosure Material: Powder-Coated Steel

Mechanical Specifications

Included Cables and Connectors: 3 48 Inch Connector cables

Quantity of Connections: 3

Performance Data

MCOV: 300VAC

Joules at 10/1000 micro-sec: 42

Max Surge Current L-N: 1800 Amps

Clamping Voltage: 775Vpk

Standards and Certifications

ANSI: C63.4

UL Listed: 1950

CULUS Listed: UL 1950 and CSA equivalent

NOM: 057

EN: 55022

CSPR: 16 & 22

Features and Benefits

- Three DC Power Connectors.
- Foldback function automatically limits the output current protecting connected devices from overloads and short-circuit overloads. If the draw on the DC output increases to 105-150 percent of nominal current, the current will be limited to 833mA.
- One green LED indicates DC output if present.
- Efficient circuitry operates at a low temperature.
- Easily installed using wire nuts to connect the incoming line, neutral and ground.
- Drops into knockout located on the bottom panel of Leviton Series 140,280 and 420 Structured Media enclosures.

UPC Code: 07847713642

**Buy American Compliant Logo -- The American Recovery And Reinvestment Act of 2009 ("ARRA") provides federal grants and loans for projects throughout the country. Section 1605 of the Act, named the "Buy American" provision, requires that certain materials and manufactured products used in projects funded by the Act be manufactured in the United States. The appearance of the Recovery Act Logo in relation to a Leviton product is only intended to reflect that such product may be used in an ARRA funded project. It does not mean that such product or Leviton is sponsored or endorsed by, or that Leviton receives funds from, the federal government or the Recovery Accountability and Transparency Board. Nothing in Leviton's use of the logo is intended to suggest anything regarding the requirements for funding under ARRA.*
