Structured Media® Enclosures

Brand Features

Leviton provides different types of unpopulated plastic mounting brackets to accommodate the installer's need for custom mounting solutions within Leviton's Series 140, 280 and 420 Structured Media™ Centers. Leviton's Single Plastic Bracket accepts mounting of any single Leviton phone, data, security, or DSL Filter Expansion Board within the Structured Media Center to enhance an existing system, or for use as a stand-alone solution for voice (with or without security), data and DSL filtering services. Single Plastic Bracket for mounting a single Leviton phone, data, security, or DSL Filter Expansion Board in a Leviton Series 140, 280 or 420 Structured Media Center.

Item Description

**Buy American Compliant Logo -- The American Recovery And Reinvestment Act of 2009 ("ARRA") provides federal grants and loans for projects throughout the country. Section 1605 of the Act, named the "Buy American" provision, requires that certain materials and manufactured products used in projects funded by the Act be manufactured in the United States. The appearance of the Recovery Act Logo in relation to a Leviton product is only intended to reflect that such product may be used in an ARRA funded project. It does not mean that such product or Leviton is sponsored or endorsed by, or that Leviton receives funds from, the federal government or the Recovery Accountability and Transparency Board. Nothing in Leviton's use of the logo is intended to suggest anything regarding the requirements for funding under ARRA.*
