

5W320-N

Enclosures and Accessories

Brand Features

Leviton Opt-X Wall-Mount Enclosures are ideal for fiber applications requiring patching, cross-connect, and/or splicing of single-mode or multimode fibers while utilizing a minimum of space. The Medium Wall Mount Enclosure is a 12" high, wall-mount unit that accommodates up to four Opt-X adapter plates and six splice trays or 4 MTP modules. Like other Leviton Fiber Enclosures, the Medium Enclosure incorporates many innovative design features at little additional cost.

Item Description

**Buy American Compliant Logo -- The American Recovery And Reinvestment Act of 2009 ("ARRA") provides federal grants and loans for projects throughout the country. Section 1605 of the Act, named the "Buy American" provision, requires that certain materials and manufactured products used in projects funded by the Act be manufactured in the United States. The appearance of the Recovery Act Logo in relation to a Leviton product is only intended to reflect that such product may be used in an ARRA funded project. It does not mean that such product or Leviton is sponsored or endorsed by, or that Leviton receives funds from, the federal government or the Recovery Accountability and Transparency Board. Nothing in Leviton's use of the logo is intended to suggest anything regarding the requirements for funding under ARRA.*
