

83A00-2

Access Control

Brand Features

General purpose 12-volt DC power supply with battery backup mounted in enclosure. Designed to provide power to several Leviton products, including the Access Control Readers with electric or magnetic locks, Omni Consoles, OmniTouch 5.7 Touchscreens, and many other devices. The Leviton Power Hub provides battery-backed power for connected devices. It has convenient connections and power terminals for a neat installation. It is designed to eliminate unsightly transformers, power strips, external power supplies, battery backup units, and complex wiring normally associated with access control installations. The Leviton Power Hub has connections for up to 8 Access Control Readers with electric and magnetic locks.

Item Description

Power Hub for Structured Wiring Enclosures.
