

LI137-1W1

Wallplates and Housings

Brand Features

Leviton LJ6C-style Wallplate Inserts are designed to fit into 22 mm x 37 mm LJ6C-style openings. Inserts accept all QuickPort® UTP and shielded connectors and include ID window kits for port designation. The inserts are available in flat and angled designs, both of which feature spring-loaded shutters to protect the connectors from dust and debris when not in use. Inserts are available in white ABS plastic.

**Buy American Compliant Logo -- The American Recovery And Reinvestment Act of 2009 ("ARRA") provides federal grants and loans for projects throughout the country. Section 1605 of the Act, named the "Buy American" provision, requires that certain materials and manufactured products used in projects funded by the Act be manufactured in the United States. The appearance of the Recovery Act Logo in relation to a Leviton product is only intended to reflect that such product may be used in an ARRA funded project. It does not mean that such product or Leviton is sponsored or endorsed by, or that Leviton receives funds from, the federal government or the Recovery Accountability and Transparency Board. Nothing in Leviton's use of the logo is intended to suggest anything regarding the requirements for funding under ARRA.*
