

STAINLESS STEEL MINI WALL SPEAKERPHONES

521/520 STAINLESS STEEL MINI WALL HANDSFREE SPEAKERPHONES

Sturdy and attractive stainless steel mini wall speakerphones

The CEECO Model SSW-521 vandal resistant, stainless steel speakerphones offer clear, reliable communication. Our handsfree phones are available with keypad (-F), autodial (-D), and ring-down (-X) operation. The rugged SSW speakerphones are suitable for courtesy, emergency, and public communication. The speakerphone operation is a press to start, press to stop call button for the initiation and termination of phone calls with an LED visual call process indication light. Call restrictions, ADA, and speed dial features available.

Made in the USA
