

High Speed HDMI Flat Cable, Digital Video with Audio (M/M), 6-ft.

MODEL NUMBER: **P568-006-FL**

Description

Tripp Lite's 6-ft Flat High Speed HDMI (High Definition Multimedia Interface) Gold Cable allows interconnection between digital display devices, such as DTV's (digital television), plasma displays, LCD TV's, and projectors, to Digital source devices, such as digital set-top boxes, Blu-Ray players, and AV receivers. Supports iPad2 Video Mirroring when used with Apple Digital AV Adapter. Utilizing a flat design, each individual inner conductor is organized differently to reduce cross-talk between the wires, which produces a cleaner signal than round HDMI cables. Flat HDMI cables also fit closer to walls and better around bends and turns, as well as under carpeting.
