

## Safety Switches T&B Catalog Number:

**UPC Number:**

2TLA050001R1000

**Status:**

80432582934

**Description:**

Active

Tongue interlock safety switch with NPT connector, 2 NC and 1 NO contacts and no key

### Features

MKey 4 safety interlock switches are designed to provide position interlock detection for moving guards

They are designed to fit to the leading edge of sliding, hinge or lift off machine guards

They offer a compact 86mm long body to fit to applications where space is restricted, yet offer 3 pole contacts and choice of 3 conduit entries for wiring versatility

The head can be rotated to give actuator entry positions

For extra durability, flexible actuators and stainless steel head versions are available

Available with 40N holding force

Contact blocks are replaceable

### Application

Ensures that a machine stops when a door or a hatch is opened
