

# SC APC reusable connector, field- installable, single-mode

OR-205KNT9LA-09

SC APC reusable connector, field-installable, single-mode, green housing, white 900 micron boot

## features & benefits

- **No epoxy or polishing:** Fast, easy assembly in the field
- **Reusable termination capability:** Saves time and money; reduces scrap
- **VFL window:** Immediate feedback on successful termination
- **Factory prepared and verified endface:** Reliability and superior performance
- **No special tools required:** Common fiber tools, readily available

## specifications

### General Info

Category Performance Application: OS2  
Color: Green  
Typical Applications: Single-mode  
Connection Type: SC  
Product Series: Infinium

### Cord Information

Connector Type End One: SC APC  
Connector Type End Two: SC APC  
Fiber Type: Single-mode  
Finish End One: Angled Physical Contact-APC  
Finish End Two: Angled Physical Contact-APC  
Max Insertion Loss: 0.75 dB  
Max Return Loss: 50 dB

## Technical Information

Connector Intermateability End One: IEC 61754-4

Connector Intermateability End Two: IEC 61754-4

Equipment Type: Pre-polished Connectors
