

## MM20 Equipment Support Brackets, set of brackets 6"D for rear support on all MM20 racks

OR-MM20ESB06-X

The 6" equipment support brackets can be cantilever mounted at the rear of any Mighty Mo rack and used to support equipment mounted to the front rails. Deeper equipment support brackets are sized to the 16-1/4" to 30" channel racks and 4-point mount with the equipment's mounting ears to provide zero unit support from front to back.

Note: Replace the "X" tail code with "B" for black or "W" for white.

### features & benefits

- **6" cantilever style:** Mount at the rear of any Mighty Mo rack and support equipment mounted to the front rails.
- **16-1/4" to 30" 4-point style:** Mount at 4-points and are sized to the 16-1/4" to 30" channel racks and 4-point racks mounting behind the equipment's mounting ears to provide zero unit support from front to back.
