**L legrand®** designed to be better.

MM20 Zero-U Horizontal Manager, for front of rack between two VMD or VMS style managers

OR-MM20HMZRU19-X

Zero rack unit horizontal managers slide into the slots in the Mighty Mo 20 fingers and provide support for fiber and copper cables exiting horizontal equipment modules. They toollessly lock into place with the 19" version mounting between 2 vertical managers in front of the equipment. Internal versions are sized to fit inside the vertical managers and provide a continuous horizontal path across the front of the racks and managers.

Note: Replace the "X" tail code with "B" for black or "W" for white.

features & benefits

- **Zero "U" cable support:** Panels slide into the slots of the vertical manager fingers to create a shelf for supporting switch cables.
- **Sturdy panel design:** Snap into place in front of switches with no hardware allowing easy removal when replacing equipment cards or fan trays.

specifications

General Info

Color: (B)lack or (W)hite
Product Series: Mighty Mo 20
Type: Rack Accessories
Component Type: Horizontal Manager

Construction Information

Component1: Horizontal Manager

Dimensions

Depth U S: 3.9
Diameter Metric:
