LinkStation™ Pro Quad

Personal Cloud Storage

PRODUCT FEATURES

CREATE YOUR OWN PERSONAL CLOUD

LinkStation Pro Quad offers a simple and easy way to store, organize and back up all of your media files and documents in one secure, easily accessible location. Use it at home or in your small office for reliable storage and backup.

SHARED CENTRAL STORAGE

With terabytes of storage, LinkStation Pro Quad provides a reliable, central location to store and protect all data from every PC and Mac® computer, tablet device and smartphone in your home or small office. Store, access and share files from anywhere over your wireless network at speeds up to twice as fast as a standard USB hard drive.

STREAM YOUR FAVORITE MEDIA

LinkStation Pro Quad includes Twonky, a DLNA server, and it can be used as an iTunes server to stream all of your favorite music, movies and shows to multiple devices simultaneously.

FREE REMOTE ACCESS SERVICE

Buffalo's free WebAccess service allows you to create a personal cloud for easy remote access and file sharing with anyone, anywhere over the Internet. Your data remains securely stored in one place on your home network, but you can access it quickly from any computer, iPhone, iPad, Android or Windows mobile device over the web.

EASY BACKUP FOR PC AND MAC

LinkStation Pro Quad features 5 licenses of NovaBACKUP® Professional for Windows® and Time Machine® support for multiple Mac computers for whole home data backup. Disaster and hard drive failures happen unexpectedly; don't leave your important files and treasured memories in the hands of chance. Set up regular backups for every computer in your house and easily protect all of your data, down to the very last byte.

AUTOMATIC DATA PROTECTION

LinkStation Pro Quad features four hard drives and support for RAID 0/1/5/JBOD for maximum capacity or redundant data protection.

LINKSTATION NAS SYSTEM

LinkStation Pro Quad runs on Buffalo's LinkStation NAS System, providing a host of useful features from network file sharing and security to RAID management (on multi-drive units), remote access and more. Included on all Buffalo LinkStation devices, LinkStation NAS System simplifies your everyday data needs.
