

## AXIS Q.6128-E PTZ Dome Network Camera High-end 4K PTZ with Axis' Sharpdome technology

The compact, outdoor-ready AXIS Q6128-E delivers top performance 4K (8 MP) video at 25/30 fps, with 12x optical zoom, and autofocus. Axis' Sharpdome technology provides full scene fidelity and perfect image quality in all directions – above as well as below the horizon. Using the latest technology, AXIS Q6128-E has good low light performance, and the quick and precise pan of more than 700°/s makes it easy to change viewing position and follow fast moving objects. Axis' Speed Dry function easily removes water drips from the dome glass, providing sharp images in rainy weather. The camera also features EIS and defogging.

- > 4K resolution
- > Axis' Sharpdome technology
- > Axis' Speed Dry function
- > Pan performance up to 700°/s
- > Repaintable

## AXIS Q6128-E PTZ Dome Network Camera
