

Surface-Mount Enclosures

Model 238-001 and Model 236 Series

GAI-Tronics offers a variety of enclosures designed to permit surface mounting of our *flush-mount RED ALERT® and Industrial Telephones. These enclosures provide weatherproof protection for the telephone electronics and are aesthetically appealing.

Our **236 series** enclosure offers hooded protection from the elements and is available in three standard colors; black, red, and yellow (custom colors available). These enclosures are manufactured from non-corrosive aluminum and protected with a Polyurethane finish.

Our **Model 238-001** enclosure combines aesthetics and durability in a brushed stainless steel design.

All of our Surface-Mount Enclosures are suitable for indoor and outdoor use and are compatible with our Model 231-001 Pole Mount Kit.

*Telephones sold separately
