

# STI STOPPER® STATION SHIELD

STI-6517

## PRODUCT OVERVIEW

This inexpensive and highly durable cover was invented to mount directly onto the Stopper® Station series of buttons. With two tabs that snap into the Stopper Station, the cover easily mounts over the push button. It takes hard knocks in stride while protecting the button against vandalism, damage or accidental activation.

## BACKED BY A THREE YEAR GUARANTEE

As all STI protective covers, this Stopper Station Shield is backed by a three year guarantee against breakage in normal use. It is also highly cost effective and easy to install.

## KEY FEATURES

### General Information

- Protects against vandalism, damage and accidental activation.
- Raised molded "LIFT HERE."
- Three year guarantee against breakage of polycarbonate in normal use (one year on electro mechanical and electronic components).

### Design

- Cover specifically designed to fit STI Stopper Stations with notched mounting slots (see reverse).

### Construction

- Cover is molded from thick, tough polycarbonate material.
- Cover is UV-stabilized.

### Installation

- Ideal for use when space is limited.
- Tabs snap into Stopper Station shell allowing for fast and easy installation.
- Polycarbonate rated -40° to 120°F (-40° to 49°C).

### Electronics

- STI-6517A has a selectable 65 or 85 dB alert when lifted.
- STI-6517B is wireless and has a selectable 65 or 85 dB alert when lifted.
- STI-6517C sends wireless signal when cover is lifted or button is pressed.
- STI-6517D sounds a 65 or 85 dB alert and sends wireless signal when button is pressed.

### Options

- Available with alert or alert and wireless.
- Standard French and Spanish label available.
