Generations!

Model No. 2554-27F

Basic Home & Business Telephones

When it comes to basics, Cortelco has your number.

Two of them, in fact. Model 2500 and model 2554 have delivered performance, value and reliability for many years.

Communications couldn't be simpler - or more dependable.

CORTELCO[™]

KEEPING YOU CONNECTED FOR OVER 100 YEARS[™]

Cortelco has been a leader in telephone manufacturing for a long time. In fact, Cortelco is one of the largest manufacturers of US-made telephones.

That's a testament to our pride in manufacturing and Cortelco's enduring quality. This quality continues in the Basic Models 2500 and 2554.

Quality Basics
Quality is built into every CORTELCO telephone - as much a part of each product as its design and components. Crafted with pride by skilled workers using the best materials, Cortelco telephones are produced by one of the leading manufacturers of telecommunications equipment - CORTELCO

Support Basics
Standing behind the performance of every CORTELCO 2500 and 2554 telephone is a nationwide support system and a *five-year limited warranty* against defects in materials or workmanship.
