- Installation**  
Quick, easy, and efficient installation. Pre-assembled components easily bolt together.
- Configurable Monitor System**  
Dual-monitor solutions, expandable to 4 or 6 monitor command centers.
- Stand Replacement**  
Provides an excellent solution for previously wall-mounted TVs in need of a desk or tabletop stand. The DS55, DS65 and DS84 features a Universal mounting interface and two height positions for compatibility with older screens.
- VESA Compatible Universal Design**  
Series covers all VESA patterns to 600x600mm. Maximum universal mounting pattern 665x601mm.
- Construction**  
Fabricated from high-grade cold rolled steel with durable epoxy powder coat finish. Includes a complete array of high-grade fasteners, in a pre-sorted hardware pack for easy selection.
