Deb Protect Plus®

Extra protection pre-work skin cream for wet and dry work.

Usage: Apply to clean, dry skin before each work period and after washing hands to help protect the skin against contact with water and non-water based contaminants, such as: engine oils, machine oils, cutting oils, lubricating oils, grease, dry powders, solvents, detergents, paints and inks, adhesives and sealants, dilute acids and alkalis.

Features & Benefits

Ointment based to quickly absorb into the skin and leave a non-greasy after feel.

Contains Xanthan Gum, a highly effective film forming agent to repel aqueous based substances.

Added Dicaprylyl Carbonate, an excellent 'dry-feel' emollient, helps prevent greasy skin.

Contains Wheatgerm extracts, a source of vitamin E to help leave the skin soft and supple after use.

Dermatologically tested using the industry recognised '48hr human patch test for primary skin irritation' method

Tested against moisture penetration using an In vitro Filter Paper Test.

Silicone free formula for use in paintshops.

Contains Kaolin to 'fill-in' skin pores and help prevent ingression by oil based substances.

Proven barrier protection against hydrocarbons and detergents using the recognised In vivo Repeat Irritation Test on SLS detergent and diesel.

Mild, neutral pH formula ensures compatibility with the skin and reduces the risk of any possible irritation.

Added Glycerine, a highly effective humectant, also moisturises the skin and helps prevent dryness.

Compatible for use with natural rubber (latex) and nitrile gloves.

Fragrance-free for maximum user acceptability.

Not tested on animals.
