

# Mobile Hand Care

## deb 'cradle' protective cream

**A multi-purpose, antibacterial pre-work protective & reconditioning cream for outdoor workers - for use with deb skin safety cradle**

### FEATURES & BENEFITS

- Proven anti-bacterial activity - effective against Leptospirosis, or Weil's disease (which is caused by the transmission of the Leptospira bacteria from animals to man), E-coli, Staphylococcus aureus and Pseudomonas aeruginosa
- Neutral pH ensures compatibility with the skin, reducing the risk of possible irritation
- Economical-in-use as only a small amount is required
- BS3286 Invitro Suspension Test for effectiveness against Leptospira bacteria
- Many years proven use through millions of applications
- Fragrance-free for high user acceptability and to not attract insects
- Contains silicone and Paraffinium Liquidum to repel water
- Emollient cream to soften and moisturise the skin to help prevent dryness
- Dermatologically tested using the industry recognised "48hr human patch testing for primary skin irritation" method
- Not tested on animals
