— Top Closing Feature — Improve Your Workplace Safety

Keep things from falling out:

At height: Prevent injury to those working below you. Klein recommends closing your bucket any time you perform a lift over six feet.

On the road: Prevent traffic situations by keeping things in your bucket when it's in the back of your truck.

5104CLR36

Cat. No.	Dimensions: Height/Diameter	Weight (lbs.)
5104CLR36	36" H x 8" D (914 mm x 203 mm)	7.10
